In the paper ‘Longitudinal growth trajectories of preterm infants with and without intrauterine growth restriction up to 24 months of corrected age: the influence of early feeding patterns’ [1] the affiliations were published incorrectly. The errors concerned affiliations 1 and 2, while affiliation 6 (for Mohamed Khalis) was omitted. The authors apologize for any inconvenience that it may have caused.

The affiliations should be corrected as follows:

### Before:

<sup>1</sup>Public Health, Mohammed VI International School of Public Health, Mohammed VI University of Sciences and Health, Casablanca, Morocco

<sup>2</sup>Public Health, Department of Public Health and Clinical Research, Mohammed VI Center for Research and Innovation, Rabat, Morocco

<sup>5</sup>Research Team on Maternal and Child Health and Nutrition, Faculty of Medicine and Pharmacy, Mohammed V University, Rabat, Morocco

### After:

<sup>1</sup>Mohammed VI International School of Public Health, Mohammed VI University of Sciences and Health (UM6SS), Casablanca, Morocco

<sup>2</sup>Department of Public Health and Clinical Research, Mohammed VI Center for Research and Innovation, Rabat, Morocco

<sup>5</sup>Research Team on Health and Nutrition of Mother and Child, Faculty of Medicine and Pharmacy, Mohammed V University, Rabat, Morocco

<sup>6</sup>Higher Institute of Nursing Professions and Health Techniques, Rabat, Ministry of Health and Social Protection, Rabat, Morocco
